

Faroe Island mittens in two colour pattern

Needles: 5 pins at 2,5 mm

Yarn: Snældan 2 threaded 100 % sheep wool

Kast on 48 stiches with colour 1, and knit 20 rows of 1 knit 1purl

Then increase to 64 stiches evenly on all 4 pins, knit 2 rows then start knitting the pattern with colour 1 and 2, after knitting 17 rows, knit 2 stiches then take a different colour yarn, and knit 9 stiches for thumb. Continue knitting 32 more rows, then start decreasing.

Knitting only with colour 1, knit 2 stiches together then knit 24 stiches knit 3 stiches together, do the same on the other side. Knit like this on every row until 2 stiches are left on each pin, fasten of.

Thumb: then knitting in colour 1, pull out the different colour stiches for thumb, and place the 18 stiches on 3 pins, pick up 1 stich on both sides of the 9 stiches, do you now have 20 stiches, and increase 1 stich on the inside of the thumb to 21 stiches, thus you have 7 stiches on each pin. Knit 23 rows, and start decreasing. Knit together 2 stiches on each pin on every row until 2 stiches remain on each pin, fasten of.
